Resident Tutor Duties

Resident Tutors are responsible for the welfare and discipline of resident students in Halls and are here to support your personal and professional development to ensure your journey at the University is successful and memorable. Your Resident Tutors can:

1. Advise you on a wide range of issues covering academic, personal and emotional matters
2. Work with you and others to develop a harmonious and positive halls community
3. Help you to arrange professional support as appropriate
4. Support your studies and professional development within halls
